SUP 5252.237-9400 SUBSTITUTION OR ADDITION OF PERSONNEL (JAN 1992)

- a. The offeror agrees to assign to the contract those persons whose resumes, personnel data forms or personnel qualification statements were submitted as required by Section L to fill the requirements of the contract. No substitution or addition of personnel shall be made except in accordance with this clause.
- b. The offeror agrees that during the contract performance period:
- c. If personnel for whatever reason become unavailable for work under the contract for a continuous period exceeding thirty (30) working days, or are expected to devote substantially less effort to the work than indicated in the proposal, the Contractor shall propose a substitution of such personnel, in accordance with paragraph (d) below.
- d. All proposed substitutions shall be submitted, in writing, to the Contracting Officer at least fifteen (15) days (thirty (30) days if a security clearance must be obtained) prior to the proposed substitution. Each request shall provide a detailed explanation of the circumstances necessitating the proposed substitution, a complete resume for the proposed substitute and any other information required by the Contracting Officer to approve or disapproved the proposed substitution. All proposed substitutes (no matter when they are proposed during the performance period) shall have qualifications that are equal to or higher than the

qualifications of the person being replaced.

e. In the event a requirement to increase the specified level of effort for a designated labor category, but not the overall level of effort of the contract occurs, the offeror shall submit to the Contracting Officer a written request for approval to add personnel to the designated labor category. The information required is the same as that required in paragraph (d) above. The additional personnel shall have qualifications greater than or equal to at least one (1) of the individuals proposed for the designated labor category.

f. The Contracting Officer shall evaluate requests for substitution and addition of personnel and promptly notify the offeror, in writing, of whether the request is approved or disapproved.

g. If the Contracting Officer determines that suitable and timely replacement of personnel who have been reassigned, terminated or have otherwise become unavailable to perform under the contract is not reasonably forthcoming or that the resultant reduction of productive effort would impair the successful completion of the contract or the delivery order, the contract may be terminated by the Contracting Officer for default or for the convenience of the Government, as appropriate. Alternatively, at the Contracting Officer's discretion, if the Contracting Officer finds the Contractor to be at fault for the condition, he may equitably adjust (downward) the contract price or fixed fee to compensate the Government for any delay, loss or damage as a result of the Contractor's action.

LEVEL OF EFFORT (COST TYPE CONTRACT)(JUN 1995)

(a) The level of effort for the performance of this contract during the period from the start of performance to 12 months thereafter is based upon 24,320 estimated man-hours of direct labor. If all options are exercised by the government, the level of effort for the performance of this contract will be increased by an additional 49,920 estimated man-hours of direct labor, for a total level of effort of 74,240 estimated man-hours of direct labor (hereinafter referred to as the "Estimated Total Hours").

(b) The estimated composition by labor category of the Estimated Total Hours is as follows:

This is a CPFF type order. The labor categories and estimated number of hours are listed below:

KEY: TS = Top Secret, S = Secret

The Government estimates a level of effort (LOE) consisting of 74,240 hours inclusive of options. For Evaluation purposes, the estimate is based on a man-year of 1,920 hours.

(c) No deviations are permitted for direct labor. The direct labor proposed will be used for evaluation purposes only. Support personnel (functional staff) should not be added to direct labor costs.

(d) The Estimated Total Hours include subcontracting hours but exclude holidays, sick leave and other absences.

(e) The number of man-hours expended per month shall be commensurate with the effort order required delivery date of such effort. The number of man-hours expended per month may fluctuate in pursuit of the technical objective, provided that such fluctuation does not result in the utilization of the total man-hours of effort prior to the expiration of the term thereof. The number of man-hours for any labor category may be utilized by the contractor for any other labor category if necessary in performance of the contract.

(f) The contractor shall not be obligated to continue performance beyond the Estimated Total hours, except that the Contracting Officer may require the contractor to continue performance in excess of the Estimated Total Hours until the total estimated cost has been expended. The government will not be obligated to pay

fee on an hours expended in excess of the Estimated Total Hours. Any hours expended in excess of the Estimated Total Hours shall be excluded from all fee computations and adjustments. The Contracting Officer may also require the contractor to continue performance in excess of the total estimated cost until the Estimated Total Hours have been expended. In no event, however, will the Contracting Officer, pursuant to this paragraph (e), require the contractor to continue performance in excess of the Estimated Total hours if the Contracting Officer is requiring or has required the contractor to continue performance in excess of the total estimated cost. Nor will the Contracting Officer, pursuant to this paragraph (e), require the contractor to continue performance in excess of the total estimated cost if the Contracting Officer is requiring or has required the contractor to continue performance in excess of the Estimated Total Hours. The Contracting Officer may extend the period of performance in order to expend either the total estimated cost or the Estimated Total Hours. If this contract is subject to the Service Contract Act, in no event will the Contracting Officer, pursuant to this paragraph (e), extend the period of performance such that the period of performance, as extended, will exceed five years.

(g) If at any time during the performance of this contract the contractor expends in excess of 85% of the available estimated man-hours of direct labor, the contractor shall immediately notify the Contracting Officer in writing. Nothing herein shall be construed to alter or waive any of the rights or obligations of either party pursuant to the clause entitled "Limitation of Cost" and/or "Limitation of Funds."

(End of provision).

PAYMENT OF FIXED FEE (INDEFINITE DELIVERY, COST PLUS FIXED FEE) (OCT 1992)

The fixed fee for work performed under this contract is \$*_ provided that approximately ** hours of technical effort are employed by the contractor in performance of this contract. If substantially fewer than ** hours of said services are so employed, the fixed fee shall be equitably reduced to reflect the reduction of work. The Government shall make monthly payments of the fixed fee at the rate of \$ *** per direct labor hour invoiced by the contractor. All payments shall be in accordance with the provisions of FAR 52.216-8, "Fixed Fee," and FAR 52.216-7, "Allowable Cost and Payment." The total of all such payments shall not exceed eighty-five (85%) percent of the fixed fee specified under each applicable delivery/task order. Any balance of fixed fee due the contractor shall be paid to the Contractor, and any over-payment of fixed fee shall be repaid to the Government by the Contractor, or otherwise credited to the Government at the time of final payment.

SECTION C DESCRIPTIONS AND SPECIFICATIONS

PERFORMANCE WORK STATEMENT FOR SUPPORT OF DNS-3 PREGRAMS (THE NAVY VETERANS AWARDS PROGRAM, CNO AWARDS, THE NAVY FREEDOM OF INFORMATION & PRIVACY ACT, AND SHORE & FLEET ORGANIZATIONAL PROGRAMS)

1. Introduction:

The office of the Chief of Naval operation, Director of Navy Staff, Director of Management requires contract support services for the OPNAV DNS-33 Shore & Fleet Organizational Branch, DNS-35 Navy Awards/Veterans Awards Programs, and DNS-36 Navy Freedom of Information (FOIA) & Privacy Act (PA) Programs. The vendor will provide subject matter expertise in project management, Navy technical expertise, analytic and administrative support for the overall management and execution of these statutorily mandated programs.

2. Background:

The Director of Management (DNS-3) in support of the Director, Navy Staff (DNS), in support of the Chief of Naval Operations (CNO), administers, executes, and supports the Office of the Chief of Naval Operations OPNAV command-wide information processes and applicable information technology. DNS also coordinates common standardized practices for the Secretary of the Navy (SECNAV) and CNO for training and information guidance and provides policy, executive oversight, and project execution discipline for CNO projects and initiatives with the context of a subject matter expert.

DNS-33 requires support receiving, processing, and publishing all Navy wide fleet requests and direct support handling duties related to Manager's Internal Control (MIC) Program & CNO's Audit Liaison. Support is also required to prepare and coordinate the CNO's Annual MIC report. The DNS-35 primary need for Analysts are to act as DNS-35's point of entry for all matters devoted to the resolution of questions and inquiries from Congressional offices of Navy Veterans and or their families pertaining to the Veteran's military awards entitlement and submission of award recommendations under USC 10, Section 1130. DNS-35 also requires an administrator for its awards database (NDAWS) and to provide occasional support processing awards and awards policy tasks. OPNAV (DNS-36) is the DON's PA/FOIA Policy Manager and Senior DON FOIA Liaison Officer and carries out the principal functions of the Secretary of the Navy, Chief of Naval Operations, and Director, Navy Staff for these mandated programs. DNS-36 serves as the DON's senior manager for developing, implementing, and administering policies, procedures, standards, and rules to ensure departmental compliance with the ever-changing provisions of the PA and FOIA programs. OPNAV (DNS-36) is seeking the support of skilled and seasoned expert contract analysts /consultants to assist with the overall management and execution of the Navy's FOIA/PA programs. The contract analysts being acquired will devote their Navy knowledge, government information expertise and analytical skills to the task of significantly reducing or eliminating any SECNAV and OPNAV FOIA/PA request backlog; developing viable tracking systems; compiling statistics for required reports; and reviewing the content and URL connectivity on the DON FOIA online web portal and corresponding FOIA/PA related web sites and/or data repositories.

Additionally, OPNAV (DNS-36) is the DON's PA/FOIA Program Manager and Senior DON FOIA Liaison Officer and carries out the principal functions of the Secretary of the Navy, Chief of Naval Operations, and Director, Navy Staff for these mandated programs. DNS-36 serves as the DON's senior manager for implementing, and administering policies, procedures, standards, and rules to ensure departmental compliance with the ever-changing provisions of the PA and FOIA programs.

In an effort to ensure that DNS-36 has the resources available to achieve DON FOIA/PA goals, and requirements established by Congress, OMB, DOJ, DOD, SECNAV, and CNO, contractor analyst support is required.

3. Scope:

OPNAV is seeking analytical support to accomplish tasks such as; program management, project management, project leadership, business research, etc. It is the objective that the right information be made available, at the right time, to the right person, in order to make the appropriate decision and to have the ability to capture information and data in a timely manner for the proper oversight and control of the awards program.

4. Tasks:

PERSONAL IDENTITY VERIFICATION OF CONTRACTOR PERSONNEL (52.204-9) (JAN 2011)

(a) The Contractor shall comply with agency personal identity verification procedures identified in the contract that implement Homeland Security Presidential Directive-12 (HSPD-12), Office of Management and Budget (OMB) guidance M-05-24, and Federal Information Processing Standards Publication (FIPS PUB) Number 201.

(b) The Contractor shall account for all forms of Government-provided identification issued to the Contractor employees in connection with performance under this contract. The Contractor shall return such identification to the issuing agency at the earliest of any of the following, unless otherwise determined by the Government;

- (1) When no longer needed for contract performance.
- (2) Upon completion of the Contractor employee's employment.
- (3) Upon contract completion or termination.

(c) The Contracting Officer may delay final payment under a contract if the Contractor fails to comply with these requirements.

(d) The Contractor shall insert the substance of clause, including this paragraph (d), in all subcontracts when the subcontractor's employees are required to have routine physical access to a Federally-controlled facility and/or routine access to a Federally-controlled information system. It shall be the responsibility of the prime Contractor to return such identification to the issuing agency in accordance with the terms set forth in paragraph (b) of this section, unless otherwise approved in writing by the Contracting Officer.

(End of Clause)

252.204-0002 Line Item Specific: Sequential ACRN Order. (SEP 2009)

The payment office shall make payment in sequential ACRN order within the line item, exhausting all funds in the previous ACRN before paying from the next ACRN using the following sequential order: Alpha/Alpha; Alpha/numeric; numeric/alpha; and numeric/numeric.

(End of Clause)

252.232-7006 WIDE AREA WORKFLOW PAYMENT INSTRUCTIONS (MAY 2013)

(a) Definitions. As used in this clause—

Department of Defense Activity Address Code (DoDAAC) is a six position code that uniquely identifies a unit, activity, or organization.

(WAWF).

Local processing office (LPO) is the office responsible for payment certification when payment certification is done external to the entitlement system.

(b) Electronic invoicing. The WAWF system is the method to electronically process vendor payment requests and receiving reports, as authorized by DFARS [252.232-7003](#), Electronic Submission of Payment Requests and Receiving Reports.

(c) WAWF access. To access WAWF, the Contractor shall—

(1) Have a designated electronic business point of contact in the System for Award Management at <https://www.acquisition.gov>; and

(2) Be registered to use WAWF at <https://wawf.eb.mil/> following the step-by-step procedures for self-registration available at this web site.

(d) WAWF training. The Contractor should follow the training instructions of the WAWF Web-Based Training Course and use the Practice Training Site before submitting payment requests through WAWF. Both can be accessed by selecting the “Web Based Training” link on the WAWF home page at <https://wawf.eb.mil/>.

(e) WAWF methods of document submission. Document submissions may be via Web entry, Electronic Data Interchange, or File Transfer Protocol.

(f) WAWF payment instructions. The Contractor must use the following information when submitting payment requests and receiving reports in WAWF for this contract/order:

(1) Document type. The Contractor shall use the following document type(s).

Cost Voucher

(Contracting Officer: Insert applicable document type(s). Note: If a “Combo” document type is identified but not supportable by the Contractor’s business systems, an “Invoice” (stand-alone) and “Receiving Report” (stand-alone) document type may be used instead.)

(2) Inspection/acceptance location. The Contractor shall select the following inspection/acceptance location(s) in WAWF, as specified by the contracting officer.

N47039

(3) Document routing. The Contractor shall use the information in the Routing Data Table below only to fill in applicable fields in WAWF when creating payment requests and receiving reports in the system.

SECTION H SPECIAL CONTRACT REQUIREMENTS

NON-DISCLOSURE AND NON-USE OF INFORMATION AND/OR DATA

(a) Sensitive and/or Proprietary Information and/or Data

In the course of performing this contract, contractor personnel may obtain certain sensitive, non-public information and/or data. Such information may be provided by the Navy for the purposes of contract performance. Other such information may be obtained (indirectly or informally) in the course of working in close proximity to Government personnel in the Government workplace. Sensitive, non-public information includes, without limitation, information relating to the Navy's research, development, products, trade secrets, know-how, contingency plans, budgeting, customers, finances, procurements (including, but not limited to source selection information), pre-deliberative information, personnel, personally identifiable information, and any other related information without regard for whether such information and/or data would otherwise be deemed secret or routine. Sensitive, non-public information can also include proprietary third party information including but not limited to the research, development, products, trade secrets, and know-how of other contractors. All such information and/or data shall be deemed to be "sensitive and/or proprietary," whether or not designated or marked.

(b) PPBE Documents and Data

Planning, Programming, Budgeting, and Execution (PPBE) documents and data as described in DoD Directive 7045.14, "The Planning, Programming, and Budgeting System," May 22, 1984, Change 1, July 28, 1990 and Deputy Secretary of Defense Memorandum, "Control of Planning, Programming, Budgeting, and Execution (PPBE) Documents and Information," 27 March 2004) obtained, received, or learned by the Contractor and/or its personnel and/or subcontractors as a result of performance of this contract shall be deemed to be "sensitive" and/or "proprietary" whether or not such data is so designated or marked. The Contractor and its personnel and subcontractors who obtain, receive, or learn of PPBE documents and data in the course of performance of this contract shall restrict its access to the minimum number of contractor personnel or subcontractors necessary for performance of this contract. No one who prepares offers, proposals, bids, and/or quotations for Government and/or non-Government procurements shall be provided access to PPBE documents or data. The Contractor shall ensure that each of its personnel and subcontractors who obtains, receives, or gains knowledge of such information and/or data as a result of performance of this contract understands and complies with this "Non-Disclosure and Non-Use of Information and/or Data" provision.

(c) Non-Disclosure of Information and/or data

The Contractor and its personnel and subcontractors shall disclose sensitive and/or proprietary information and/or data obtained, received, or learned as a result of performance of this contract only to Contractor personnel directly performing under this contract and to United States Department of Defense personnel to whom disclosure of such sensitive and/or proprietary information and/or data is required in performance of this contract. The Contractor and its personnel and subcontractors shall not disclose such information and/or data to anyone who prepares offers, proposals, bids, and/or quotations for Government and/or non Government procurements. The Contractor and its personnel and subcontractors shall take all steps necessary to prevent disclosure of such sensitive and/or proprietary information and/or data except as specifically permitted herein.

(d) Non-Use of Information and/or Data

The Contractor and its personnel and subcontractors shall use sensitive and/or proprietary information and/or data obtained, received, or learned as a result of performance of this contract, whether in paper or electronic format or received orally, only in direct performance of this contract and for no other purpose. The Contractor and its personnel and subcontractors shall not use or consider such information and/or data in the preparation of any offer, proposal, bid, and/or quotation for any Government and/or non-Government procurement. The Contractor and its personnel and subcontractors shall take all steps necessary to prevent use of such information and/or data except as specifically permitted herein. Contractor employees shall not disclose such information and/or data to persons other than United States Department of Defense personnel and to other contractor personnel on a need-to-know basis for performance of the contract, except as otherwise approved by the Contracting Officer in writing, and unless required by court order or applicable law, or unless necessary to conduct a judicial or administrative inquiry.

(e) Non-Disclosure/Non-Use Agreements

(1) Before any of the Contractor's personnel or the personnel of any tier subcontractor becomes involved in performance of this contract, the Contractor shall obtain a non-disclosure/non-use agreement signed by that person. The non-disclosure/non-use agreement shall state that:

(A) He/she shall disclose sensitive and/or proprietary information and/or data obtained, received, or learned by him/her as a result of performance of this contract only to contractor personnel directly performing under this contract and to United States Department of Defense personnel to whom disclosure of such data is required in performance of

CONTRACT NO. N00178-14-D-7957	DELIVERY ORDER NO. N00178-14-D-7957-EX01	AMENDMENT/MODIFICATION NO. 07	PAGE 21 of 24	FINAL

this contract.

(B) He/she shall not disclose sensitive and/or proprietary information and/or data obtained, received, or learned as a result of performance of this contract to anyone who prepares offers, proposals, bids, and/or quotations for Government and/or non-Government procurements.

(C) He/she shall use sensitive and/or proprietary information and/or data obtained, received, or learned as a result of performance of this contract only in direct performance of this contract and for no other purpose.

(D) He/she shall not use or consider sensitive and/or proprietary information and/or data obtained, received, or learned as a result of performance of this contract in the preparation of any offer, proposal, bid, and/or quotation for any Government and/or non Government procurement.

(2) Any access by contractor personnel or the personnel of any tier subcontractor to the Navy's Program Budget Information System (PBIS) requires specific authorization. Such access will only be provided when necessary for performance of the contract's requirements. A separate "PBIS Data Access Certificate of Nondisclosure" must be signed and provided to the designated PBIS administrator before such access will be authorized.

(3) In the event that the Contractor, its personnel, and or subcontractors will obtain, receive, or learn sensitive and/or proprietary information and/or data of other entities as a result of performance of this contract, the Contractor shall execute a non-disclosure/non-use agreement with each such entity prior to having access to the sensitive and/or proprietary information and/or data provided by the entity.

(f) Requirement to Disclose Sensitive and/or Proprietary Information and/or data

If the Contractor, its personnel and/or is subcontractors receive a court order requiring disclosure of information and/or data obtained, received, or learned as a result of performance of this contract or if the Contractor believes disclosure of such information and/or data is otherwise required by law or regulation, the Contractor shall contact the Contracting Officer immediately and fully inform the Contracting Officer of the court order or other requirement prior to any disclosure of information and/or data.

(g) Exception

This "Non-Disclosure and Non-Use of Information and/or Data" provision does not apply to information and/or data

that (i) Contractor knew before the Navy disclosed it; (ii) has become publicly known through no wrongful act of Contractor; or (iii) the Contractor developed independently, as evidenced by appropriate documentation. The Contractor shall be responsible for ensuring that all contractor personnel who obtain such data/information understand and abide by the terms of this provision.

(h) Government Remedy

Any violation of the terms of this "Non-Disclosure and Non-Use of Information and/or Data" provision is a material and substantial breach of this contract, and the Government may, in addition to any other remedy available, terminate this contract, or any part thereof, for cause or default. Noncompliance with the "Non- Disclosure and Non-Use of Information and/or Data" provision may also adversely affect the Contractor's past performance rating for consideration under future acquisitions.

(i) Non-disclosure/Non-Use Agreements

The Contractor shall maintain all non-disclosure and non-use of data agreements required by this clause and shall make such agreements available for immediate inspection by the Contracting Officer or the Contracting Officer's designated representative.

(j) Disposal of Documents

Upon completion of the tasks assigned or termination of the contract, or upon demand, whichever is earliest, the contractor shall return any and all documents containing sensitive and/or proprietary information and/or data (including any copies or reproductions thereof) in its possession or control.

SECTION I CONTRACT CLAUSES

52.217-9 -- OPTION TO EXTEND THE TERM OF THE CONTRACT. (MAR 2008)

(a) The Government may extend the term of this contract by written notice to the Contractor 30 days prior to the end of the performance period; provided that the Government gives the Contractor a preliminary written notice of its intent to extend 30 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed three years.

Note: All the provisions and clauses of SECTION I of the basic contract apply to this task order (unless otherwise specified in the task order) plus the following:

52.217-5 -- Evaluation of Options (JUL 1990)

Except when it is determined in accordance with FAR 17.206(b) not to be in the Government's best interests, the Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).

(End of Provision)

52.224-1 -- Privacy Act Notification

Privacy Act (Apr 1984)

(a) The Contractor agrees to –

(1) Comply with the Privacy Act of 1974 (the Act) and the agency rules and regulations issued under the Act in the design, development, or operation of any system of records on individuals to accomplish an agency function when the contract specifically identifies --

(i) The systems of records; and

(ii) The design, development, or operation work that the contractor is to perform;

(2) Include the Privacy Act notification contained in this contract in every solicitation and resulting subcontract and in every subcontract awarded without a solicitation, when the work statement in the proposed subcontract requires the redesign, development, or operation of a system of records on individuals that is subject to the Act; and

(3) Include this clause, including this subparagraph (3), in all subcontracts awarded under this contract which requires the design, development, or operation of such a system of records.

(b) In the event of violations of the Act, a civil action may be brought against the agency involved when the violation concerns the design, development, or operation of a system of records on individuals to accomplish an agency function, and criminal penalties may be imposed upon the officers or employees of the agency when the violation concerns the operation of a system of records on individuals to accomplish an agency function. For purposes of the Act, when the contract is for the operation of a system of records on individuals to accomplish an agency function, the Contractor is considered to be an employee of the agency.

(c) (1) "Operation of a system of records," as used in this clause, means performance of any of the activities associated with maintaining the system of records, including the collection, use, and dissemination of records.
